WHO WE ARE: Obsessions first opened its doors in downtown Denver in 1982, attracting a diverse clientele, expecting unique, quality, detailed still life photography. In 1997, we began photographing items for clients utilizing e-Bay for their expanding client sales and base of operation. Our services have been expanded to provide clients with on-

location photography (no need to pack and haul priceless and breakable items). We have the gentle touch, and as dealers since 1985, have experience in the handling and photography of antique objects such as:

Steuben, WMF, Decorated Cranberry, Perfumes, Tiffany, Desk Sets, Silver, Jewelry, Quezal, Majolica, Vanity Items and more...

WHAT WE DO: We offer quality, affordable on-location photography service for appraisers, auction houses and private sales.

WHERE: We travel to your location, saving you time in packing, unpacking, and less breakage. Studio quality on location.

WHY USE THIS COMPANY? Auctions demand detailed, elaborate, stunning photographs of the antiques/artifacts. We are the only professional photography studio traveling to your location, and providing excellent quality, fast turnaround and reliable service.
